

Smithfield Caregiver Prayer Breakfast

Eat! Pray! Fellowship!

Join us at Main Street Baptist Church on June 22 for an uplifting breakfast, prayer and fellowship. This prayer breakfast is an opportunity for community members to unite to support ongoing caregiver efforts and journeys.

This event is **free**, and all caregivers are welcome. Attendance is limited, and please be aware that we are not providing respite care at this event. Special thanks to our community event partners: Riverside Smithfield Hospital, Riverside Lifelong Health & Rehabilitation Smithfield, The Alzheimer's Association, Main Street Baptist Church and The Main Event by Emily.
