Certification

By signing below, I attest to the accuracy of the information provided. I agree that I will comply with City of Norfolk Code of Ordinances, Chapter 41-13 and 41-16 (Solid Waste) and will allow the regulatory authority access to the bulk container.

I agree to notify the Bureau of Environmental Health Services immediately of any changes in management, services or when the applicant ceases to be responsible for the bulk container.

I understand that this permit is valid only for the location for which it was issued and is not transferrable from one location to another; nor from one owner to another.

BULK CONTAINER SITE

In the space below please make an accurate sketch of the property for which a bulk container permit is requested. Be sure to include the following information: property lines and dimensions, easements, buildings (both on the property and on adjacent properties), street names and numbers, proposed bulk container location, and all distances between bulk container site and adjacent streets and buildings.

Note: Bulk containers should be placed in accordance with section 41-9 (Bulk container regulations) of the Code of the City of Norfolk (revised 1985)

For Health Department Use Only
