Virginia Helicopter EMS	a. Statistics Report	
Program Update – Tim	The amount of data submitted to the Medevac Helicopter EMS application (formerly known as WeatherSafe)	
Perkins:	continues to grow. In terms of weather turndowns, there were 480 entries into the Helicopter EMS system in Q4 of the 2019 calendar year. 63% of those entries (304 entries) were for interfacility transports, which is consistent with information from previous quarters. The total number of turndowns is a decrease from 591 entries in Q4 of 2018. For the 2019 calendar year, there were 2,081 entries into the system. 60% of those entries (1,260 entries) were for interfacility transports, which is consistent with previous information. The total number of turndowns is a decrease from 2,782 entries in the 2018 calendar year. This data continues to demonstrate a commitment to the program and to maintaining the safety of medevac personnel and equipment.
