

SAFETY SEAT DISTRIBUTION & EDUCATION PROGRAM

The Virginia Department of Health offers free car seats and booster seats along with education to eligible families in Virginia.

To qualify, applicants must be...

- > A resident of Virginia
- > Medicaid, WIC, or FAMIS eligible or meet certain income guidelines
- > Attend a car seat installation and use class
- > Sign a waiver of liability release form

- > A parent, guardian, or foster parent of a child who is 7 years old or younger, or at least in the last trimester of pregnancy

Don't let cost stand in your way! Applications are available in all our offices.
