Re: Letter of Intent to Establish a New Medical Care Facility for Cardiac Catheterization Services

Dear Dr. Shelton:

Pursuant to 12 VAC 5-220-180, please accept this letter of intent advising you that James River Cardiology, LLC intends to file a certificate of public need ("COPN") application on or before August 1, 2024, for the establishment of a new medical care facility for the provision of cardiac catheterization services our office located at 445 Charles H Dimmock Pkwy, Suite 100, in the city of Colonial Heights within Planning District 19.

The new medical care facility will have one (1) cardiac catheterization laboratory and provide cardiac catheterization and other non-surgical cardiovascular procedures to patients in a dedicated ambulatory setting. It will be located in a new Quad A accredited and Medicare Certified ASC dedicated to the care of cardiovascular patients.

Thank you for your attention to this matter. Please send the appropriate application forms to me at [mitesh.amin@alignedcardio.com](mailto:mitesh.amin@alignedcardio.com).

Please let us know if you have any questions ahead of our application submission.

Sincerely,

Mitesh Amin, MD

CC: Erik Bodin III, Director, Division of Certificate of Public Need
