site of service for CT by adding One CT at 2965 Ivy Road, Charlottesville,
Virginia, PD10**

Dear Dr. Shelton:

Pursuant to 12VAC5-220-180 of the Virginia Medical Care Facilities Certificate of Public Need ("COPN") Rules and Regulations, I write to inform you that University of Virginia Imaging, LLC, intends to submit a COPN application to expand an existing site of service for CT by adding one (1) CT at 2965 Ivy Road, Charlottesville, VA in PD10.

It is our understanding that this COPN Application will be due October 1, 2024. Should you have questions or need additional information, please feel free to contact me. We look forward to receiving the appropriate application as well as any additional materials that will facilitate the preparation of our submission. Thank you in advance for your assistance and thoughtful review of this application.

Yours truly,

Amy Stout
