Re: Letter of Intent Establishment of a New Medical Care Facility for Cardiac Catheterization Services

Dear Commissioner Shelton:

Pursuant to 12 VAC 5-220-180, please accept this letter of intent advising you that Hanover Cardiac ASC LLC (d/b/a Virginia Cardiac Surgery Center) intends to file a certificate of public need application on or before January 29, 2025, for the establishment of a new medical care facility for the provision of cardiac catheterization services in Hanover County within Planning District 15.

The new medical care facility will have one (1) dedicated cardiac catheterization laboratory and provide cardiac catheterization and other non-surgical cardiovascular procedures to patients in a dedicated ambulatory setting. It will be located in an existing AAAHC accredited and Medicare certified ASC dedicated to the care of cardiovascular patients.

Please send the appropriate application forms for this undertaking to Kevin Curtis at admin@vacardiacsurgerycenter.com. Thank you for your attention to this matter.

Sincerely,

Kevin Curtis
Administrator
